Academic Employment & Affiliation

- 10.2024 – Present** Course Convenor, School of Global and Area Studies, University of Oxford
Quantitative Research Methods (MPhil in Global and Area Studies)
- 07.2024 – Present** Course Co-convenor, Department of Sociology, University of Oxford
Statistics Methods (MSc in Sociology)
- 07.2024 – Present** Postdoctoral Researcher, Department of Sociology, University of Oxford
‘GenTime’ project
- 01.2025 – 01.2027** College Advisor, St Antony’s College, University of Oxford
- 01.2025 – 06.2025** College Tutor, BA in Human Sciences, Hertford College, University of Oxford
- 01.2022 – 01.2024** Teaching Assistant, Department of Social Statistics, University of Manchester

Education

- 09.2021 – 06.2024** Ph.D. in Social Statistics and Sociology (joint), University of Manchester
Supervisors: Prof. Wendy Olsen (socio-economics) & Prof. Yaojun Li (sociology)
- 09.2023 – 11.2023** Visiting Ph.D. Researcher, Sciences Po, Paris
Collaborator: Prof. Laurent Lesnard
- 09.2020 – 09.2021** M.Sc. in Social Statistics (Distinction), University of Manchester
- 09.2019 – 09.2020** M.A. in Communication, Beijing Normal–Hong Kong Baptist University
- 09.2015 – 09.2019** B.A. in Marketing, Beijing Normal–Hong Kong Baptist University

Research Interests

Machine learning · AI literacy · work · well-being · media & culture · time use · gender

Editorial & Academic Service

- Editorial Board, *Work, Employment & Society* (ABS4), 02.2026 – 02.2030
- Editorial Board, *Social Science Research* (ABS3), 01.2025 – 01.2027
- Associate Editor, *Humanities and Social Sciences Communications*, 04.2024 – 04.2027
- Member, Department of Sociology Research Committee, University of Oxford, 10.2025 – 01.2027

Working Papers

-
- Vertical Education-Occupation Mismatch and Gender Division of Labour: A Longitudinal Dyadic Analysis in the UK during 2002–2023. *Minor revision in an ABS4 journal*.
 - Double Disadvantages? A Longitudinal Study Exploring Intersectional Disparities in Life Satisfaction Among Gig Workers by Gender and Ethnicity. *Major revision in an ABS4 journal*.
 - Work-family role switching and enjoyment: an objective time use approach. *Under review*.

Conference Presentations

-
- ASA 120th Annual Meeting — Demography and the Future of Work (paper session): *Gender and Parenthood Disparities in Work Time Fragmentation in the United States*.
 - ASA 120th Annual Meeting — Gender and Work (round table): *Vertical Education-Occupation Mismatch and Gender Division of Labour: A Longitudinal Dyadic Analysis in the UK*.

- 46th International Association for Time Use Research Conference (session chair & oral): *Impact of Work-Family Role Switching on Daily and Instantaneous Enjoyment: A Gendered Time-Use Analysis in the UK*.
- BSA Annual Conference 2023 — Sociological Voices in Public Discourse (oral): *Work time fragmentation and subjective time pressure: evidence from the latest UK time use survey*.
- BSA Work, Employment & Society Conference 2023 (oral): *Can homeworkers have more stable work schedules? A time-use approach to measure work schedule instability*.
- 82nd Annual Meeting of the Academy of Management (paper session): *Work Time Control and Allostatic Load Biomarkers: Differences Between and Within Genders*.

Invited Lectures & Speeches

- Government of Alberta’s Public Safety and Emergency Services Meeting: “How quantitative social research can support evidence-based practice and policy evaluation.”
- Sequence analysis in practice (R & Stata workshop), Centre for Time Use Research, UCL. June 2025.
- Roundtable presentation: *Women and health: building healthier working lives*. Understanding Society & King’s Global Institute for Women’s Leadership. 16 July 2024.

Grants & Awards

- Chinese Government Award for Outstanding Self-financed PhD Students Abroad (2024), \$6,000.
- ESRC Impact Acceleration Account (IAA) Award for Public Engagement (2025), £1,000.

Technical Skills

Software: R, Python, Stata, High-Performance Computing, SQL, L^AT_EX, GitHub, SPSS, UCINET.

Statistical methods: Machine learning, sequence analysis, survival analysis, causal inference, multilevel modelling, longitudinal SEM, social network analysis, complex survey design.

Datasets: Google Ngram, GDELT, UKHLS, MTUS, UKTUS, ATUS, ELSA.
